

REFUSE CONFIDENCE VOTE TO PASTOR WHO RESIGNED

Action of Hackensack Congregation
Brings Special Meeting of
North Bergen Classis.

A special meeting of the North Bergen Classis of the Reformed Church has been called to consider the situation brought about by the refusal of the North Hackensack consistory to give a vote of confidence to the Rev. J. R. Miller, who recently resigned the pastorate of the North Hackensack congregation.

The parents of a number of boys brought charges against the Rev. Mr. Miller because of accounts of the initiation of their sons in a secret order called the Knights of King Arthur. The Rev. Mr. Miller resigned as soon as he heard of the charges and left North Hackensack two days later.

The classis, because there had been no hearing on the charges, directed a vote of confidence in the pastor. The congregation ignored the direction. The classis then passed a vote of confidence, but Clerk John N. Voorhis refused to read it at yesterday's service and the whole matter is to be brought before the classis at the special meeting.

BEATEN BY HIGHWAYMEN.

William Gresham in Hospital After
Held-Up in Brooklyn.

William Gresham, of No. 55 Moonmouth Street, Newark, is in Greenpoint Hospital with lacerations of the head, a badly battered face and a fracture of the jaw as a result of his encounter with four strangers early to-day, near McCarran Park in the Greenpoint section of Brooklyn.

Gresham was being beaten when a cross-town car approached. Running upon the track he waved his arms. One of his assailants hit him across the back of the head with a blackjack and Gresham fell just as the motorcar stopped the car. The men got away. Gresham had not been robbed.

Son Finds Father Dead.

George B. Roberts, forty-eight, of No. 235 East 77th Street, janitor in Public School No. 117, at No. 170 East 77th Street, was found dead this morning in a chair in the basement of the school building. His son saw the body and thought Roberts was asleep. Heart failure caused the death, according to Dr. Fiden of Flower Hospital.

Window food boxes

have long been desired by thrifty housewives. The ugly wooden boxes that become weather stained and unsanitary are no longer an economical necessity. These new boxes are made to fit in windows, thus keeping the food fresh through the winter months and saving the cost of ice. They are made of galvanized sheet steel, rustless and easy to keep clean. They are 21 inches wide, 11½ inches deep and 14 inches high. Consistent with the economy idea is the price.
